

Application procedure for external PhD students and PhD students arranging their own scholarship

- Prepare a 3-page outline of your research proposal (incl. main research questions, a contextualization of these questions in relevant literature, a description of research methods, a motivation for why and how the proposal fits the CWTS knowledge agenda, a rough research time plan, a bibliography of cited literature).
- Send your proposal incl. your academic CV to the [CWTS PhD coordinator](#).
- The PhD coordinator will inform you about our decision within 2 months.
